

**NEW** FROM PRIDE OF PLACE PLANTS

# Agapanthus Baby Pete

USPP# 23132

*Species: praecox spp. orientalis*

**Discovered in Australia, this exotic baby is a superior dwarf form of Agapanthus**

- Compact height: with the flowers 18 inches
- Baby Pete does not set viable seed, making for a longer flowering season than others, and environmentally friendly
- Vibrant blue and mauve bell shaped flowers clumping tightly
- Approximately 8 open flowers and 12 buds per inflorescence at all times
- Averages 5 flowering scapes per plant
- Use in gardens, green roofs, or containers
- Sun to partial shade, loves heat, water-wise, good for firescaping
- Zone 8-11
